

## DCM Mary Catherine Phee Met with USAID-funded American Volunteers

DCM Mary Catherine Phee welcomed a new group of 20 American teacher volunteers at the Embassy on September 26, 2011. At the welcoming event DCM Phee was accompanied by Mr. Thomas H Staal, USAID/Ethiopia Mission Director.

Over the last ten years, International Foundation for Education and Self Help(IFESH) has recruited over 80 experienced American Teacher volunteers to participate in teacher development programs in Ethiopia.

Recent initiatives of the higher education expansion system and the general education quality improvement program in Ethiopia are increasing the demand for additional qualified expatriate volunteers and local professionals. As the Ethiopian Ministry of Education defines its educational priorities, the role of IFESH volunteers and advisors is becoming more significant in refining and implementing the General Education Quality Improvement Program (GEQIP). IFESH is responding to the Ministry's newly emerging needs by means of a careful selection of volunteers who are able to contribute to new reforms such as English Language Improvement, Teacher Development Program, HIV/AIDS Education, Gender Equality Promotion and the provision of English language books.

The 20 American volunteers, who will be serving in the 2011/12 academic year, arrived in Ethiopia on September 24, 2011 and stayed in Addis Ababa until October 4, 2011 for in-country orientation and departed to their respective posts on October 5, 2011.

## Services

Ato Abate, a terrific wood carver. He's made a lovely hall table and glass-fronted china

cabinet for me: He makes things to your specifications. Also, at this time he has carved wooden boxes for sale, which make nice gifts. I have a couple of sample boxes in my office (ZOA Refugee Care, easy walking distance from ICS), and I've left one sample with Jess at the International Community School. You're welcome to add that to the advert; it's fine for people to stop by to see these boxes. Thank you, Maureen 0912-191-747

Dog Grooming: The Sisay sisters will groom your dog with affection and patience. Call 0911 380 154 Recommended by Martin Schulman.

## Massage in your own home.

Fere has her certificate in massage therapy: Swedish, Shiatsu, hot stone, aroma therapy massage, and reflexology. She brings her own massage table. She has been serving the American Community for many years. Contact Fere at 091 168 9475 Recommended by Diane Corbin

Personal Tailor: I highly recommend Wendie's tailoring services. Wendi does not have a store front, but comes to his customers! He procures all the necessary materials and brings samples with him. I was especially impressed with my suit, as many tailors cannot quite manage to make feminine suits. Wendie is skilled and charges a fair price.
